

Earn 3 College Credit Hours Toward Your
Associate Degree in Construction Management

**Associated Builders
and Contractors, Inc.**
Central Ohio Chapter

ABC/Hocking College Construction Management course offered:

Construction Estimating I

Instructor: Tom Martin

Thursdays, Jan. 22 – Mar. 12

from 5 – 9 p.m. each Thursday

at the ABC Office

2222 Wilson Road in Columbus (43228)

Registration deadline: Friday, Jan. 15

Cost: \$300, plus books

This 3-credit hour Construction Estimating I course provides an introduction to estimating concepts, drawings, pricing, extensions, the re-cap sheet, etc. Earn OCILB CEU's, too!

Earn your associate degree and advance your career or take select courses for personal development and enhanced knowledge of the industry. Remember, you may also receive 40 required credit hours toward the degree for knowledge of your trade from formal apprenticeship training or through trade testing with ABC.

Future classes: Estimating II (Mar. 26 – May 14)
